Another option is the

CHEESE, CELERY, FRUIT, CHUTNEY, BISCUITS & BREAD BUFFET

priced @ £10.95 each for 2016 for approximately 100 guests.

Or for something a bit different:

A COLOURFUL DISPLAY

We are known for these spectacular, eye-catching food displays. Assorted

Dips and Pates in hollowed-out cabbages, marrows and coconuts etc. are surrounded by a huge variety of finger foods, such as fruit and vegetable crudités with cheeses, nuts, quiche wedges, salami, sausages, savoury biscuits, breads, olives, smoked mackerel, chicken bites, spicy chicken etc. According to your budget, we will make the display as full, varied and lavish as possible. Another alternative is to create a Fork Food display with salads, salmon, fish, meats etc.

Any price quoted will take into account the number of guests and also how

'lavish' the client wants the ingredients to be (a higher budget allows for the addition of Mediterranean Prawns, Smoked Salmon, Parma Ham etc.) A guideline price starts from £18.95 inclusive for 100 people.
